Subject: Chat with Wayne Borean
From: Wayne Borean <wborean@gmail.com>
To: barriticus@gmail.com

Wayne: Now this is rather scary, got it from Slashdot. Apparently cops are terrified of IPhones:
http://www.itworld.com/security/177409/lulzsec-docs-show-ariz-cops-unhealth-obsession-iphone
me: saw that
me: brb
Wayne: Going to do an analysis of #Romas later today and post it. That should start another round of bounces.
